TUI and the FBI National Academy Associates, Inc. (FBINAA) have agreed to establish a strategic arrangement which will provide FBI National Academy graduates and students an opportunity to transfer credits toward an MBA degree program at TUI and to receive reduced tuition for graduate and undergraduate programs.**

Pursuant to TUI's Federal Tuition Assistance Program (FTAP), FBINAA members who are graduate students will receive a tuition reduction equal to 27.5% of graduate tuition and FBINAA members who are undergraduate students will receive a tuition reduction of 15% of undergraduate tuition. Graduate students' cost per semester credit will be reduced from $345.00 to $250.00, which means a four credit course costs $1000.00 instead of $1380.00. Undergraduate students' costs per semester credit will be reduced from $295.00 to $250.00, which means a four credit course costs $1000.00 instead of $1180.00. TUI also will waive the application fee for FBINAA members (except for Ph.D. program applicants). Like all students, FBINAA members who are TUI students will not be charged separately for course materials or access to TUI's cyber library.

FBINAA prospective students may transfer up to 12 total semester credits towards the MBA degree program, which is equivalent to up to 30% of the MBA program. Prospective MBA students who successfully transfer 12 credits from another institution will be required to take 32 semester credits instead of 44 semester credits, or eight courses instead of 11. Credits earned for graduate courses taken at the University of Virginia are eligible for transfer. Below is a suggested list of possible equivalent courses transferable to TUI, contingent on TUI evaluation and approval. Other undergraduate and graduate credits earned at UVA or elsewhere may be transferred to TUI on a case-by-case basis and are subject to TUI evaluation and approval.
